**CORNERSTONE OWNERS ASSOCIATION, INC.
GOVERNANCE POLICIES**

In compliance with the Colorado Common Interest Ownership Act, the Board of Directors hereby adopts the following policies and procedures.

I. ADOPTION AND AMENDMENT PROCEDURE

A. Definitions:

1. Policies and Procedures. A policy is a course or principle of action adopted to guide the Board of Directors and the Association. A procedure is an established or official way of conducting a course of action or activity of the Board of Directors or Association. Policies and procedures, in general, shall govern the activities of the Board of Directors in the operation of the Association and related to Common Areas.

2. Rules. A rule is defined as a regulation or requirement governing conduct or behavior. Rules, in general, shall govern the use of property within the community and the behavior of residents and/or their guests while in the community.

B. Notice and Comment. Prior to adopting new or amended rules, the Board shall send notice to all Owners at least five business days before a meeting of the Board of Directors at which action on such rule(s) is to be considered. Owners shall have a reasonable opportunity to be heard before a rule or regulation to be voted upon by the Board. This procedure shall not apply to administrative and operating policies and procedures the Board may adopt relating to Common Areas such as hours of operation for recreational facilities, speed limits on private roads, methods of reserving use of a facility (if permitted).

C. Board Authority to Adopt Policies, Procedures and Rules. Subject to Paragraph B above, the Board of Directors shall have the authority to adopt and amend policies, procedures and rules and regulations to the extent they do not conflict with the Governing Documents of the Association by vote of a majority of the Directors at a Board meeting. Such policies and procedures shall be adopted at an open Board meeting and documented in the minutes or in a formal resolution

D. Owner Authority to Adopt Rules. The Owners may adopt rules by a majority vote of the Owners at a meeting of the Membership to the extent such rules do not conflict with the Governing Documents.

E. Effective Date of Rules. Rules, once adopted, shall be sent to all Owners and shall be effective 30 days following notice.

II. COLLECTION POLICY AND PROCEDURE

A. Due Dates, Late Charges, Interest, Suspension of Rights, and Acceleration of Assessments.

1. Due Dates. The annual assessments (Base Assessments and Service Area Assessments) are due and payable on January 1 of each year. Payments shall be deemed received and shall be posted on the date the payment is received in the Association's office or the Association's payment processor's office. Any assessment not paid in full when due shall be considered past due and delinquent.

2. Late Charge. A late charge in the amount of \$25.00 shall be imposed for any assessment, fine or other charge not paid within 30 days of the due date without further notice to the Owner. Such late charge is a personal obligation of the Owner and a lien on the Homestead.

3. Interest. Interest at the rate of 18% per annum shall accrue on any delinquent assessment, fine or other charge from the due date without further notice to the Owner. Interest may be

added to the Owner's account 30 days following the due date. Such interest is a personal obligation of the Owner and a lien on the Homestead.

4. Administrative Expenses. Charges imposed by the Association's management agent for delinquent accounts will be the Owner's obligation.

5. Suspension of Rights. An Owner's voting rights shall be automatically suspended without notice if an assessment or other charge is not paid within 90 days of the due date. An Owner's rights to use Common Area facilities or services may also be suspended without notice if an assessment or other charge is not paid within 60 days of the due date.

6. Acceleration. If any payment of an assessment or charge due the association is payable in installments, upon 30 days written notice to the Owner, the Board may accelerate and declare immediately due all of that Owner's unpaid installments. Upon acceleration, that Owner loses the privilege of paying any and all assessments and charges in installments for the remainder of the fiscal year, unless such privilege is otherwise reinstated in the Board's sole discretion.

B. Return Check Charges.

1. If any check or other instrument payable to or for the benefit of the Association is not honored by the bank or is returned by the bank for any reason, including, but not limited to insufficient funds, the Owner is liable to the Association for one of the following amounts, at the option of the Association:

a. An amount equal to the face amount of the check, draft, or money order and a return check charge of \$20.00 or an amount equal to the actual charges incurred by the Association levied by the party returning the check, whichever is greater; or

b. If notice has been sent as provided in C.R.S. § 13-21-109 and the total amount due as set forth in the notice is not paid within 15 days after such notice is given, the person issuing the check, draft or money order shall be liable to the Association for collection for three times the face amount of the check, but not less than \$100.00.

2. Any returned check shall cause an account to be past due if full payment of the monthly installment of the annual assessment or of any other charge is delinquent.

3. If two or more of an Owner's checks are returned unpaid by the bank within any fiscal year, the Association may require that all of the Owner's future payments, for a period of one year, be made by certified check or money order.

C. Attorney Fees. The Association shall be entitled to recover its reasonable attorney fees and collection costs incurred in the collection of assessments or other charges due the Association from a delinquent Owner pursuant to the terms of the Community Charter and Colorado law. Attorney fees incurred by the Association shall be considered part of the assessments and shall be due and payable immediately when incurred, upon demand.

D. Application of Payments. All payments received on account of any Owner or the Owner's property, may be applied first to post-judgment attorney's fees, costs and expense; then to costs and attorney's fees not reduced to a judgment; then to interest; then to late charges; then to return check charges; then to fines and other amounts levied pursuant to the Community Charter; then to delinquent assessments; then to current assessments not reduced to judgment; and finally to amounts reduced to judgment.

E. Payment Plans. The Association will make a good faith effort to coordinate with the Owner to set up a payment plan. An Owner may enter into a payment plan to pay off a deficiency in equal installments

over a minimum period of six months or such other period as authorized by the Board of Directors. If the Owner fails to comply with the terms of the payment plan (fails to remit payment of an agreed-upon installment or fails to remain current with regular assessments as they come due during the payment plan term), the Association may pursue legal action. The Association is not obligated to negotiate a payment plan with an Owner who has previously entered into a payment plan. Further, the Association is not obligated to enter a payment plan if the Owner does not occupy the Unit and has acquired the property as a result of a default of a security interest encumbering the Unit or foreclosure of the Association's lien.

All payment plans involving accounts referred to an attorney for collection shall be set up and monitored through the attorney in consultation with the President of the Board or other person designated by the Board.

F. Delegation of Authority to Sign Notice of Lien. The Board of Directors delegates authority to sign and acknowledge the Notice of Assessment Lien to the Association's attorney or manager. This delegation may be withdrawn at any time. In the event the delegation is withdrawn, the Board will send written notice to the Association's attorney or manager of the withdrawal.

G. Time Frames. The following time frames shall be followed in the collection of monthly installments of the annual assessment and for collection of other charges.

Due dates	January 1 st for annual assessments and 30 days after notice of assessment or charge for all other assessments, fines and charges.
Late Fee date	30 days after due date
Interest date	30 days after due date

Notices may be sent in accordance with the following schedule:

First Notice from Association or manager	30 days after due date
Second Notice from Association or manager	60 days after due date
Delinquent account turned over to Association's attorney; demand letter sent to Owner.	90 days after due date

A statutory lien arises upon the delinquency. The Association may file notice of a lien at any time. Once accounts are turned over to the Association's attorney, Owners shall make payment to the Association at the address of the Association's attorney, unless otherwise directed by the Association's attorney or the Association. The Association's attorney shall consult with the Association regarding collection procedures and payment arrangements.

Before the Association turns over a delinquent account of an Owner to a collection agency or refers it to an attorney for legal action, the Association will send the Owner a notice of delinquency specifying:

1. the total amount due, with an accounting of how the total was determined;
2. whether the opportunity to enter into a payment plan exists as provided in this collection policy, and instructions for contacting the Association to enter into a payment plan, if available;
3. the name and contact information for the individual the Owner may contact to request a copy of the Owner's ledger to verify the amount of the debt;

4. that action is required to cure the delinquency and that failure to do so within 30 days may result in the Owner's delinquent account being turned over to a collection agency or an attorney, a lawsuit being filed against the Owner, the filing and foreclosure of a lien against the Owner's property, or other remedies available under Colorado law.

H. Notices: Use of Certified Mail/Regular Mail. If the Association, its agents or attorneys send a collection or demand letter or notice to a delinquent Owner by regular mail, the Association, its agents or attorneys may, but shall not be required to, send an additional copy of that letter or notice by certified mail.

I. Association Remedies for the Collection of Assessments. The Association's attorney is authorized to take whatever action is necessary, in consultation with the President of the Board of Directors or other person designated by the Board, believed to be in the best interest of the Association. Such actions may include, but are not limited to, the following:

1. Notice of Lien. Such notice may be filed against the delinquent Owner's property to provide record notice of the Association's claim against the property, if not already filed.

2. Lawsuit for Money Judgment. A lawsuit may be filed in County Court against the delinquent Owner for a money judgment. The purpose of obtaining a personal judgment against the Owner is to allow the Association to pursue remedies such as garnishment of the Owner's wages or bank account to collect judgment amounts.

3. Judicial Action for Foreclosure. The Association may choose to foreclose on its lien in lieu of or in addition to suing an Owner for a money judgment and pursuing a receivership action. If the Association forecloses on its lien, the Owner will lose the Owner's Unit, having the same effect as if a first mortgagee institutes a foreclosure action against the property (though the procedure is different). Foreclosure is a remedy that may be employed for Owners who are seriously delinquent, for Owners against whom a money judgment lawsuit has been or is likely to be unsuccessful, or in other circumstances that may favor such action.

The Association will not commence a foreclosure action unless the balance of the assessments and charges secured by its lien (which may include late fees, fines and other charges) equals or exceeds six months of common expense assessments based on the Association's periodic budget. Prior to filing a foreclosure action, the Board will resolve by a recorded vote to authorize the filing of the foreclosure action against the particular unit, on a specific basis.

4. Appointment of a Receiver. A receiver is a disinterested person, appointed by the court, who manages rental of the Owner's property, and collects the rents according to the court's order, with the Association receiving a percentage of the rent collected.

5. Filing necessary claims, documents, and motions in Bankruptcy Court to protect the Association's claim.

J. Notification to and Communication with Owners. This Collection Policy shall be made available to all Owners by the Association as required by Colorado law. After a delinquent account has been referred to the Association's attorney, all communication with the delinquent Owner shall be handled through the Association's attorney. Neither the manager, if any, nor any member of the Board of Directors shall discuss the collection of the account directly with an Owner after it has been turned over to the Association's attorney unless the attorney is present or has consented to the contact. However, the Association has the option and right to continue to evaluate each delinquency on a case by case basis.

K. Certificate of Status of Assessment/Estoppel Letter. The Association shall furnish to an Owner or such Owner's designee upon written request, delivered personally or by certified mail, first-class postage prepaid, return receipt, to the Association's registered agent, a written statement setting forth the amount

of unpaid assessments currently levied against the Owner's Homestead. The statement shall be delivered within 14 calendar days after receipt of the request personally or by certified mail, first-class postage prepaid, return receipt requested. The fee for the statement shall be assessed in accordance with the management company's fee schedule for such statements, which fee shall become an assessment. If the Owner's account has been turned over to the Association's attorney, such statement shall be handled through the Association's attorney and shall include any attorney fees incurred in providing the statement.

L. Bankruptcies and Public Trustee Foreclosures. Upon receipt of any notice of a bankruptcy filing by an Owner, or upon receipt of a notice of a foreclosure by any holder of an encumbrance against any Homestead within the Association, the Association shall advise the Association's attorney of the same and may turn the account over to the Association's attorney.

M. Waivers. The Association may alter the time for the filing of lawsuits and liens, or otherwise modify the procedures contained herein, as the Association shall determine appropriate under the particular circumstances. Any such accommodation shall be documented in the Association's files with the conditions of relief. Failure of the Association to require strict compliance with this Collection Policy shall not be deemed a waiver of the Association's right to require strict compliance and shall not be deemed a defense to payment of assessment fees or other charges, late charges, return check charges, attorney fees and/or costs as described and imposed by this Collection Policy.

III. CONDUCT OF MEETINGS POLICY AND PROCEDURE

A. Annual Meetings/Special Member Meetings.

1. Notice of a Membership meeting shall be sent to each Member not less than 10 or more than 50 days prior to the meeting. Notice shall also be posted at the entrance(s) to the Cornerstone community. If a Member requests notice by e-mail only and provides an e-mail address, notice will be provided by e-mail.

2. Each Member will sign in prior to the meeting for himself/herself and for any proxies he/she holds. Voting rights of Members who are more than 90 days delinquent in payment of assessments are suspended and such Members shall not be given ballot. If an election or vote is to be held, the Member will be given the appropriate number of ballots.

a. Secret ballots are required for the following: any ballot for election of a contested position on the Board of Directors; and any ballot for other matters if so requested by at least 20% of the Members present in person or by proxy at the meeting.

b. If secret balloting is not required, the Association may indicate the number of proxies held on the ballot itself.

3. The President of the Board of Directors, or other person directed by the Board, will call the meeting to order and conduct the meeting. The meeting shall proceed in the order set forth in the agenda.

4. Each Member who wishes to speak will be given a reasonable time to speak, provided the chair may impose reasonable time limits to facilitate Member participation. Members may not speak a second time until everyone who wishes to speak has been given an opportunity to speak once. Members may not speak more than twice on any one topic, subject to the chair's discretion.

5. Members must maintain decorum and refrain from addressing the Membership or Board until recognized by the chair. Upon being recognized, the Member must state his/her name and address.

6. Members may not interrupt anyone who validly has the floor, or otherwise disrupt the meeting. Members may not engage in personal attacks on either Board Members or other Association Members. All comments and questions are to be delivered in a businesslike manner and comments shall be confined to matters germane to the agenda item being discussed. No Member may use abusive, rude, threatening, vulgar or crude language. To facilitate free and open discussion Members shall not tape or videotape meetings.

7. Members must obey all orders made by the meeting chair, including an order to step down. Any Member who refuses to follow the above rules will be asked to leave the meeting.

8. Any motions must be seconded prior to discussion and voting. Because the nature of a motion and vote may be outside the Members' authority, the Board reserves the right to determine whether a motion will be considered binding on the Association or a recommendation for proceeding. Such determination may be made following consultation with legal counsel.

9. Ballots shall be counted by a neutral third party or by a committee of volunteers who shall be Members selected or appointed at an open meeting by the President of the Board or other person presiding during that portion of the meeting. The committee of volunteers shall not be board members and, in case of a contested election for a Board position, shall not be candidates. The results of a vote taken by secret ballot shall be reported without identifying information of Members participating in such vote.

10. Meetings are not required to be held in accordance with Robert's Rules of Order.

B. Board Meetings.

1. Notice of Board meetings shall be given to directors at least 72 hours prior to the meeting. Notice shall be by personal delivery, first class mail, postage prepaid, telephone, or by facsimile or electronic mail with confirmation of receipt.

2. The Board shall notify the Members of each board meeting by posting notice of the meeting in a conspicuous place in Cornerstone at least 48 hours in advance of the meeting; by publication of a schedule of the Board meetings in a newspaper, newsletter, on a community intranet or website, or by similar means at least 7 days prior to the meeting; or by mailing notice of the meeting to each Member.

3. All Board meetings shall be open to attendance by Members of the Association, or their representatives, provided that the Board may go into executive session for any purpose allowed by law. Members may be excluded from executive session. Prior to going into executive session, the chair of the meeting shall announce the purpose for the executive session.

4. The meeting agenda shall be made reasonably available for examination by Members of the Association or their designated representatives.

5. There shall be a Members' forum at the beginning of each regular Board meeting. The Members' forum shall be for up to 30 minutes, although the Board may extend this time in its discretion. The rules for Member participation during the meetings are as follows:

a. Each Member who wishes to address the Board on an agenda item or on any other matter will be given a reasonable time to speak, provided the chair may impose reasonable time limits to facilitate Member participation. If more than one person desires to address an issue on which the Board is to vote and there are opposing views, the Board shall provide for a reasonable number of Members to speak on each side of the issue. After other Members have had an opportunity to speak, then a Member who has already spoken will be given another opportunity, time permitting.

b. Each Member who wishes to speak must be recognized by the chair. Once recognized, the Member shall state his/her name and address.

c. All comments must be delivered in a businesslike and professional manner. Personal attacks or inflammatory comments will not be permitted.

d. A Member who wishes to speak about any matter on the agenda of the Board meeting shall do so only during the Members' forum.

e. To facilitate free and open discussion Members shall not tape or videotape meetings.

f. The Board is not obligated to take immediate action on any item presented by a Member.

6. Following the conclusion of the Members' forum, the Board will proceed with the business portion of the meeting. Members who attend or remain may not participate in deliberation or discussion during this portion of the Board meeting unless expressly authorized by a vote of the majority of a quorum of the Board or if the Board will vote on a matter that is not on the agenda.

7. Items shall be discussed pursuant to the meeting agenda, provided that items may be taken out of order if deemed advisable by the chair of the meeting. Items not on the agenda may be discussed once all other items have been concluded, time permitting. If items that are not on the agenda are discussed, Members shall be given a reasonable opportunity to comment in accordance with the terms of Section B(4)(a) above.

8. Any director may make a motion. All motions shall be recorded in the minutes. Motions must be seconded to be discussed and voted upon. If any director requests his/her vote in favor or against or his/her abstention be recorded in the minutes, the minutes shall so reflect.

9. Board meetings are not required to be held in accordance with Robert's Rules of Order.

IV. CONFLICT OF INTEREST POLICY

A. Definitions:

1. "Conflicting interest transaction" means a contract, transaction or other financial relationship between: (A) the Association and a director, or (B) between the Association and a party related to a director, or (C) between the Association and an entity in which a director of the Association is a director or officer.

2. "Party related to a director" means a spouse, a descendent, an ancestor, a sibling, the spouse or descendent of a sibling, an estate or trust in which the director or party related to a director has a beneficial interest, or an entity in which a party related to a director is a director, officer, or has a financial interest.

3. "Officer," for purposes of this policy only, means any person designated as an officer of the Association and any person to whom the Board delegates responsibilities, including, without limitation, a managing agent, attorney, or accountant employed by the Board.

B. Policy. Unless otherwise approved by a majority of the other directors, no Owner Director may transact business with the Association or any Association contractor during his or her term as a director or within two years after the term expired.

C. Disclosure. The interested director shall disclose the conflicting interest in the proposed transaction in an open meeting prior to the discussion and vote. Such disclosure shall be reflected in the minutes of the meeting or other written form.

D. Participation and Voting. The director shall not take part in the discussion and shall leave the room during the discussion and the vote on the matter. Notwithstanding the foregoing, a majority of the disinterested Board members may ask the interested Board member to remain during any portion of the discussion and/or vote, provided that the interested director shall not vote.

E. Quorum. The interested director shall count for the purpose of establishing a quorum of the Board for the matter in which there is a conflict.

F. Approval of Transaction. The contract, Board decision or other Board action must be approved by a majority of the disinterested Board members who are voting. No contract, Board decision or other Board action in which a Board member has a conflict of interest shall be approved unless it is commercially reasonable to and/or in the best interests of the Association.

Notwithstanding the above, directors appointed by the Declarant may be employed by or otherwise transact business with the Declarant or its affiliate, and the Declarant may transact business with the Association or its contractors.

G. Standard of Review. Notwithstanding anything to the contrary herein or in the Association's conflict of interest policy and in accordance with the Colorado Revised Nonprofit Corporations Act, no conflicting interest transaction shall be set aside solely because an interested director is present at, participates in or votes at a Board or committee meeting that authorizes, approves or ratifies the conflicting interest transaction if:

1. the material facts as to the director's relationship or interest as to the conflicting interest transaction are disclosed or known to the Board of Directors or the committee, and the Board or committee in good faith authorizes, approves, or ratifies the conflicting interest transaction by the affirmative vote of a majority of the disinterested directors, even though the disinterested directors may be less than a quorum; or

2. the material facts as to the director's relationship or interest and as to the conflicting interest transaction are disclosed or known to the Members entitled to vote on the transaction, if any, and the conflicting interest transaction is specifically authorized, approved, or ratified in good faith by a vote of the Members entitled to vote; or

3. the conflicting interest transaction is fair to the Association.

H. Loans. No loans shall be made by the Association to its directors or officers. Any director or officer who assents to or participates in the making of any such loan shall be liable to the Association for the amount of such loan until the repayment of the loan.

V. COVENANT AND RULE ENFORCEMENT POLICIES AND PROCEDURES

A. Enforcement Procedure. The Board shall not impose fines, suspend rights to vote, suspend rights to use the Common Area facilities or services, exercise self-help remedies, suspend services the Association provides, impose a specific assessment, or record a Notice of Violation unless and until the Association has provided notice and an opportunity for hearing in accordance with the requirements of Article 9 of the Bylaws.

However, compliance with the notice and hearing procedure set forth in Article 9 of the Bylaws is not required for the following:

1. imposing late charges on delinquent assessments;
2. suspending voting rights if an Owner is more than 90 days delinquent in paying any Base or Special Assessment;
3. suspending rights to use the Common Area facilities or services the Association provides if an Owner is shown on the Association's records to be more than 60 days delinquent in paying any assessment or other charge owed the Association;
4. exercising self-help or taking action to abate a violation on the Common Area at any time or on a Homestead in any situation that requires prompt action to avoid potential injury, damage or unreasonable inconvenience to other persons or their property (including towing vehicles in violation of the rules and regulations);
5. requiring an Owner to perform maintenance or abate a violation of the Community-Wide Standard or Governing Documents; or
6. for the Association to enter the property and exercise self-help to remove or cure a violating condition if an Owner fails to take action as required pursuant to subsection (5) above within 10 days after receipt of written notice to do so.

B. Fine Schedule.

1. The following fines are guidelines for violation of the provisions of the Community Charter, Bylaws, Rules and Regulations and Policies and Procedures of the Association:

First violation:	Warning letter
Second violation:	up to \$100.00
Third violation:	up to \$250.00
Subsequent violations	up to \$500.00
Continuing violations:	\$25.00 per day

The Board reserves the right to fine for first violations of rules that involve health and safety issues and other violations where a warning may not be deemed necessary by the Board in its reasonable discretion. Additionally, upon prior written notice, the Board reserves the right to levy fines in excess of the above referenced schedule, if the fines set forth in this schedule are not likely to provide effective incentives to induce compliance.

2. The Board shall establish the amount of the fine within the above ranges based upon the nature and severity of the violation, as determined in the sole discretion of the Board. The Board may waive all, or any portion, of the fines if, in its reasonable discretion, such waiver is appropriate under the circumstances. Additionally, the Board may condition waiver of the entire fine, or any portion thereof, upon the violator coming into compliance with the Governing Documents.

3. All fines shall be due and payable upon notice of the fine and will be late if not paid within 30 days of the date that the Owner is notified of the imposition of the fine. A late fee and interest may be imposed for all fines not paid when due in accordance with the Collection Policy. All fines and late charges shall be considered an assessment and may be collected as set forth in the Community Charter and the Collection Policy. Fines shall be in addition to all other remedies available to the Association pursuant to the terms of the Community Charter and Colorado law, including the Association's right to collect attorney fees as authorized by Colorado law.

C. Failure to Enforce. Failure of the Association to enforce the Governing Documents will not be deemed a waiver of the right to do so for any subsequent violations or of the right to enforce any of the above referenced governing documents for the Association.

VI. DISPUTE RESOLUTION POLICIES AND PROCEDURES

A. Dispute Resolution Procedures. Chapter 20 of the Community Charter for Cornerstone addresses dispute resolution procedures for Bound Parties who are defined as follows: Declarant; Declarant Affiliates; the Association and its officers, directors, and committee members; all Persons subject to the Charter; and any other person who agrees to submit to Chapter 20 of the Community Charter.

B. Exceptions to Following Procedures Set Forth in Chapter 20 of Community Charter. Notwithstanding the dispute resolution procedures set forth in Chapter 20 of the Community Charter, the following shall not be considered "Claims" subject to Chapter 20 of the Community Charter unless all parties to the matter agree to submit to the procedures set forth in Section 20.2 of the Community Charter:

1. any suit by the Association to collect assessments or other amounts due from any Owner;
2. any suit by the Association to obtain a temporary restraining order (or emergency equitable relief) and ancillary relief as the court may deem necessary to maintain the status quo and preserve the Association's ability to enforce the provisions of Part Two of the Community Charter (relating to creation or maintenance of community standards);
3. any suit that does not include the Declarant, a Declarant Affiliate, or the Association as a party, if such suit asserts a Claim that would constitute a cause of action independent of the Governing Documents;
4. any dispute that affects material rights or obligations of a party who is not a Bound Party and has not agreed to the procedures in Section 20.2 of the Community Charter;
5. and any suit as to which any applicable statute of limitations would expire within 180 days of giving the Notice required by Section 20.2(a), unless the party or parties against whom the claim is made agree to toll, or extend, the Claim's statute of limitations to comply with this the dispute resolution procedures in Chapter 20 of the Community Charter.

VII. RESERVE STUDY AND RESERVE FUNDING POLICY

A. Reserve Study. The Cornerstone Owners' Association does not currently have a reserve study and is not required by the governing documents to have a reserve study. The Association, however, maintains a reserve account to fund unexpected or large scale repairs for fences and trails.

B. Reserve Funding. Funding for the reserve account is planned and projected to be from assessment of the Owners, as determined, from year-to-year, by the Board or by special assessment.

VIII. INVESTMENT OF RESERVES POLICY

A. Standard of Care. With regard to investment of reserve funds, directors and officers shall be subject to the standard of care outlined below. Officers, for purposes of this policy only, means any person designated as an officer of the Association and any person to whom the Board delegates responsibilities, including, without limitation, a managing agent, attorney, or accountant employed by the Board.

1. Each director and officer shall perform their duties regarding investment of reserves in good faith, in a manner the director or officer reasonably believes to be in the best interests of the Association, and with the care an ordinarily prudent person in a like position would exercise under similar circumstances. In the performance of their duties, a director or officer shall be entitled to rely on

information, opinions, reports or statements, including financial statements and other financial data, in each case prepared or presented by: (a) one or more officers or employees of the Association whom the director or officer reasonably believes to be reliable and competent in the matters presented; (b) legal counsel, professional property manager, public accountant, or other persons as to matters which the director or officer reasonably believes to be within such person's professional or expert competence; or (c) a committee of the Association on which the director or officer does not serve if the director reasonably believes the committee merits confidence.

2. A director or officer shall not be considered to be acting in good faith if the director or officer has knowledge concerning the matter in question that would cause such reliance to be unwarranted.
